## Reading Log

My book is
The author is
Approval Signature $\qquad$
Pages-per-day Formula (you lose 3 points if this is not filled out correctly)
A. Number of pages in the book
B. Number of days until book report is due. $\qquad$
C. Number of days I need to write the report
D. Subtract $\mathbf{C}$ from $\mathbf{B}$

Divide $\mathbf{A}$ by $\mathbf{D} \ldots$...(This is how many pages you should read every day)...

| Date | Pages Read | Parent Initial |
